11 Thurston Frequency Change

1. Service has been reduced to 20-minute frequency on weekdays from 8:48 a.m.-10:48 a.m. and from 5:50 p.m.-6:30 p.m., effective September 19, 2010.
2. Frequency has been increased to every 15 minutes on early weekday evenings and Saturday to match EmX service. Late-evening and Sunday service is reduced to every 30 minutes, effective January 9, 2011.

Gateway EmX

New Route

1. Gateway EmX will travel between downtown Eugene and the Gateway area. Passengers will not have to change vehicles to travel between these two areas.
2. EmX will provide 10-minute service on weekdays and 15-minute service during early evenings and Saturday. Thirty-minute service will operate in late evenings and Sunday.
3. There will be 14 new EmX stations developed for the Gateway EmX in addition to the Gateway Station and the Springfield Station.
4. This routing replaces service from Springfield Station to RiverBend and Gateway Mall that was lost from the elimination of route 12.

13 Centennial Routing Change

Please see route 18 for alternative service.
