## NEW LTD BOARD MEMBER

Governor Kate Brown has appointed Cottage Grove businessman Don Nordin to the Lane Transit District Board of Directors. Mr. Nordin replaces former LTD Board member Michael Dubick and will represent LTD Subdistrict 3 in southeast Eugene and southern Lane County.

Mr. Nordin is the owner of Equinox Industries. Equinox has pioneered convertible human powered trailer systems. These specialized bike trailers can change into a stroller, jogging cart, ski sled, kayak carrier, garden cart, or expedition trailer/cart.

Don is a graduate of the University of Wyoming and a former Peace Corps volunteer. In addition to running his own business, Don volunteers extensively. He has served on a variety of boards, including the National Peace Corps Association, Cerro Gordo Cooperative, Cerro Gordo Stewardship, Cottage Grove Planning Commission, and Cottage Grove Community Sharing. He chaired the Cottage Grove Bicycle Committee to help develop the Cottage Grove Transportation System Plan and was instrumental in getting bicycle paths painted on the City’s streets.

Don has served on LTD’s Budget Committee for the past six years and played a leadership role in the expansion of LTD services to Cottage Grove in the 1990s. Mr. Nordin officially joined the Board in June 2015 and his term will run through December 2018.
