

THE EM'S SPOTLIGHT ON P2P

Thursday Aug. 18th, 7:05 p.m.

On the 18th, LTD's Point2point will throw out the ceremonial first ball at the Eugene Emeralds vs Boise Hawks game.

Point2point helps facilitate numerous transportation option programs to promote sustainable travel throughout the region. Whether you're interested in car or vanpooling, biking, utilizing carshare or riding the bus, Point2point can connect you to resources for the transportation option that works best for you. Head to the game to learn more about your transportation options in Lane County or visit LTD.org/point2point

UO STATION RENOVATION

New Amenities Coming in August

Beginning Aug. 1, we'll be doing minor renovations at the UO Station on Kincaid Street.

Existing benches and trash cans will be removed and replaced throughout the month to improve passenger comfort while waiting for a bus. The new benches will be installed with a custom made footing so that the furniture can be more easily removed for cleaning maintenance. Bus service will not be interrupted during construction, but areas may be taped off as needed. Please be mindful of the construction while utilizing UO Station for the safety of yourself and others. We hope you'll enjoy the improved amenities!

JOIN A SCHOOLPOOL

Share the Walk, Bike or Carpool

How are your children getting to school this year? Our Point2point program can help you figure it out! SchoolPool is a program that helps you discover safe, fun and planet-friendly ways to coordinate daily school trips with other families.

Here's how to search for families that want to share their walk, bike or car to school:

1. Contact Point2point at 541-682-6112 or your child's school to get your SchoolPool passcode
2. Visit DriveLessConnect.com and register for an account
3. Go to Profile and select my networks
4. Click join network
5. Search for your child's school and click select
6. Enter the enrollment passcode network and click submit
7. Enter your commute to find other families who want to walk, bike or carpool to school

If you'd like more information on the SchoolPool program, or safe routes to walk and bike to your child's school, visit LTD.org/SchoolPool

EVENT SERVICE GROWS

2016 Ridership Exceeds 2015

In July, 24,621 people rode LTD's Butte To Butte and Oregon Country Fair Express Routes. These figures outpace 2015 by nearly 1,500 rides! Each year we work with event organizers to help get people to these Lane County classics in efforts to reduce traffic congestion and carbon emissions.

We also have a third event service route, the Autzen Express, which takes people to Autzen Stadium for large events. The Autzen Express runs from eight Park & Ride locations every 10 minutes. For University of Oregon home football games, service begins four hours before kickoff, and provides return trips at halftime and for 60 minutes after the game. For more details for Autzen Express service this fall, visit LTD.org and use the find your routes drop-down menu.

FALL SERVICE CHANGES

More Service Beginning Sept. 18

This fall we're making buses more frequent and expanding hours of operation on Sundays. In total, we're adding 14,000 service hours, a 5 percent increase in service! In addition to improving service, we're enhancing our Rider's Digest by publishing three a year to coincide with any changes in service instead of one a year with supplemental inserts. Be on the lookout for a detailed listing of service changes and dates to pick up your new Rider's Digest in the September Bus Talk or online at LTD.org
