

# About the New Emerald Express (*EmX*) West

## Why was it built?

In order to better serve the community, LTD added the rapid transit system to provide greater access to the growing number of businesses and homes being developed on the west side.

## What will it do?

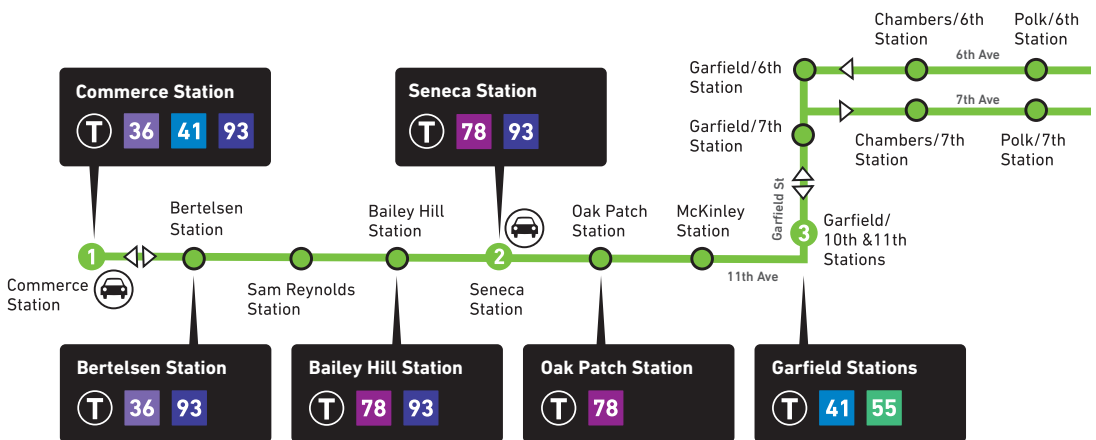

This new system will improve the flow of movement through the West 11th corridor, allowing commuters easy access to home, work, school and errands with more connections and more frequent service.

## What's the perk?

**EmX** delivers a one-seat ride from West Eugene to downtown Eugene, UO, downtown Springfield, RiverBend and the Gateway area.

## Frequency?

**EmX** arrives at each station every 10 minutes on weekdays and 15-30 on weekends!

**EmX West** from Eugene Station to West 11th and Commerce.

**1 Purchase a Ticket**  
 Tickets are available at each **EmX** Station ticket kiosk.

**2 Bus Is On It's Way!**
