EGAN WARMING CENTER

Free transportation to those in need

When the nights in the Eugene/Springfield area dip below 30 degrees, a coalition of local organizations kick into gear for the sake of this area's homeless community. Lane Transit District is one of these organizations. LTD has been a partner in this endeavor for the past eight years and provides free rides to those who express interest in being sheltered at an Egan Warming Center. To receive a free ride to an Egan Warming Center, talk to your driver. The Egan program is administered by St. Vincent de Paul Society of Lane County. Local media outlets will be alerted as to when the Warming Center will open and will pass along the information to the community.

WINTER WEATHER

Be prepared

It's time to get prepared for winter weather. Check out LTD.org for snow and ice travel tips and whether your route is likely to be impacted by bad weather. Look for the snowflake symbol in the Rider's Digest or at LTD.org to see which routes may be delayed or detoured. When snowy or icy conditions hit our region, up-to-the minute notice will be posted regarding bus routes or detours. The LTD website and Twitter (@LaneTransit) will be updated regularly and your local news sources will be kept informed, as well.

"BUS" WISHES

Season's Greetings

LTD wishes you and yours a warm, safe, and wonderful holiday season. We are thankful to our wonderful customers and the fantastic communities we serve. "Bus" wishes from LTD!

STUFF THE BUS

We stuffed that bus!

Thanks to you, the 22nd Annual Stuff the Bus event was another huge success.

LTD partnered with 104.7 KDUK, local Walgreens, Food For Lane County, and the U.S. Marine Corp's Toys for Tots on November 3 & 4. We collected more than 3,000 pounds of food for Food for Lane County and more than \$300 in cash donations. With your help, we crammed a 40-foot bus with toys and food to support members of our community who find themselves in need.

Way to go!
