Take Route 36 or 41

### Lasers at the Library

Friday, March 29  
Eugene Public Library  
100 W 10th Ave., Eugene

All ages are invited to drop by during spring break to see the Downtown Library in a whole new light!

Join in the fun with "Lasers at the Library," a retro-future sci-fi party featuring laser tag, projection and laser light art installations, and lots more. Play classic games courtesy of Blairally Vintage Arcade, try virtual reality, and dance to live DJs from KWVA 88.1 FM College Radio. Plus browse and borrow science fiction, futuristic comics, and graphic novels.

Sign-ups for laser tag start at 6:00 p.m. for kids ages 10 and up, teens, and adults. This event is presented by City of Eugene Library, Recreation, and Cultural Services.

Get your free day pass for the event by visiting: [Eugene-OR.gov/732/EUGfun](http://Eugene-OR.gov/732/EUGfun)

Issue 386

AMERICAN BUS BENCHMARKING GROUP

## LTD CUSTOMER SERVICE SATISFACTION SURVEY

Help us improve your transit experience.

Each year, LTD conducts a survey asking customers how they feel about bus service on a scale of 1 to 5. The survey is conducted through the American Bus Benchmarking Group where LTD will be compared against 15 other transit agencies across the country. Your feedback helps LTD improve service, making transit easier and more enjoyable for you.

After last year's survey, LTD learned the community's expectations were exceeded when it came to customer care, rider comfort, how fare is paid for, pollution reduction, and how safe our riders feel in general.

LTD would like to invite you once again, to take a few moments to participate in this year's online survey beginning March 18. This is a great opportunity to let LTD know how you feel and what can be done to improve your transit experience. For taking the survey, you will be entered to win one of five \$25 gift certificates to a local restaurant.

Survey available March 18 at:

[LTD.org/Customer-Service-Survey](http://LTD.org/Customer-Service-Survey)

## WILLAMALANE NOW HIRING *AD SPONSORED BY LTD*

## MOVING AHEAD

Join us March 18

MovingAhead, a collaboration between the City of Eugene and Lane Transit District, focuses on better connecting people to jobs, schools, shopping, recreation, and other activities by offering transportation improvement options to help safety and livability for everyone.

Currently, MovingAhead is exploring five transportation packages to improve safety and accessibility on some of Eugene's streets over the next 10 years.

These five transportation packages will be shared with the community at an open house, Monday, March 18. Feedback from community members at the open house will help determine the preferred packages the Eugene City Council and LTD Board of Directors will review and approve.

### Open House Monday, March 18

5:30 – 7:30 p.m.  
Baker Center  
975 High Street | Eugene, OR

## DRIVER APPRECIATION DAY – MARCH 18

Have you thanked your bus driver lately? Consider this...for hours on end, your LTD bus operators manage to keep a schedule, maintain excellent customer service, check fares, give directions, announce stops, and so much more. All this while safely maneuvering a very large vehicle through unpredictable traffic, adverse weather conditions, and some really tight spaces. The fact is, our bus operators don't have an easy job, they just make it look that way.

LTD, like many transit systems throughout the nation, sets aside a day each year to celebrate the men and women who keep our communities moving. Bus Driver Appreciation Day is Monday, March 18. Do you have a driver you'd like to thank? Someone who makes a positive difference in your day? If so, please go to LTD's Customer Service Center at the Eugene Station and fill out an appreciation card, and we'll make sure the driver's get your messages.

## VETERANS HELPING VETERANS

Veterans Legacy is a 501(c)3 nonprofit organization helping Veterans returning from active military duty who have PTSD and/or other difficulties. Their mission is to provide a safe and supportive environment allowing multi-faceted holistic healing, and ultimately, successful reintegration back into the community. This includes breaking the cycle of military veteran suicides and mental health disorders, such as PTSD, substance abuse, and associated traumas.

This is done in a respectful and safe environment, through evidence based treatments, experiential therapies, and holistic therapies in a community-based system at Camp Alma in Alma, Oregon. Some of the therapies used are gardening, food preparation, food preservation, construction

and maintenance of structures, basic financial management, and interviewing and job skills. All in order to help clients become successful and addiction-free members of society.

To learn more about the Veterans Legacy, go online or visit the campus!
