## JOIN THE BUSINESS COMMUTE CHALLENGE

## business commute challenge

It's not too late to sign-up!

Join a friendly competition – workplace against workplace– to see who can walk, bike, bus, carpool, or telework the most during the week of May 11-17. The workplace with the most participation wins. (based on size) It's good for the community, improves health, and builds teamwork within your company. And it's really fun.

### WALK & BIKE

Wednesday, May 8, is National Bike to School Day!

Schools all around the country are gearing up for the fun! During the month of May, schools will be hosting events to get kids thinking about fun and active ways to get to and from school. From after school bike parties, to chaperoned walking-school-buses, to free giveaways, students will have no shortage of opportunities to get involved!

Participating schools in Bethel, 4J, and Springfield will be hosting and organizing a wide variety of events and activities that will challenge families to ditch the drive-alone commute to school. The Eugene-Springfield Safe Routes to School team, supported by Point2point at Lane Transit District, will be handing out promotional baskets to all participating schools, helping to coordinate school-wide walks, hosting 'Learn to Ride' clinics, and much more.

Individuals can win too! Prizes include a Breezer commuter bike, a Burley Travoy bike trailer, gift certificates to local businesses, and more! The more you participate, the bigger the prize you have a chance to win.

Whether you are a bus rider, are thinking about bike or bus commuting for the first time, have just never quite started up that carpool, or simply want to have some fun with your co-workers... this Challenge is for you!

Last year we had 2,715 people in the Challenge, representing 233 teams from area organizations! The resulting impact was a savings of more than 97,000 lbs of CO2 from being released into our environment. Sign-up your team now!

On behalf of the students in the region, the Eugene-Springfield Safe Routes to School team would like to thank our wonderful schools and partners for making all of this possible. Fifty-one schools are participating in our regional Walk+Roll Challenge, up from 37 in the spring of 2018, and we are sure this will be the most successful challenge yet!
