Lane Transit District is asking all riders to not take any unnecessary trips aboard LTD buses and RideSource.

When riding the bus, LTD suggests riders follow guidelines from the Centers for Disease Control (CDC) to reduce the exposure and spread of the coronavirus, including:

• Keep six-feet away from other passengers.
• Avoid close contact with people who are sick.
• Avoid touching your eyes, nose, and mouth.
• Stay home when you are sick.
• Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
• Clean and disinfect frequently touched objects/surfaces.
• Wash your hands often with soap and water for at least 20-seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.
