

LTD'S GREEN DREAM TEAM

MISSION STATEMENT

WHY WE DO WHAT WE DO: The Green Dream Team (GDT) exists to guide and facilitate a collaborative cross-departmental effort that will support LTD's mission of creating a more vibrant, sustainable, and equitable community.

HOW WE DO WHAT WE DO: We serve the community with respect. We continuously question if there's a better way. We collaborate internally and externally. We care for our employees, customers, and business partners. We plan for a sustainable future.

WHAT WE DO: The GDT's projects and initiatives focus on education, research, analysis and evaluation activities to support robust decision-making and project implementation throughout the organization on issues related to the three components of sustainability: economy, environment and social equity.

MEMBERSHIP: Membership on the Green Dream Team is voluntary and must be approved by the employee's supervisor. Members of the Green Dream Team are collaborative, curious, and creative! We seek to have representation from all LTD departments.
