

## TouchPass is Now Umo Mobility

Have you heard? LTD's electronic fare payment system is getting a new face! Starting July 1, TouchPass will transition to Umo Mobility. Now is the time to download the free Umo Mobility app and take advantage of some great new features. With the new Umo Mobility app, locating nearby bus stops, getting easy directions and marking your favorite locations makes public transit journeys simple and seamless. Riders who currently use TouchPass can continue to use the TouchPass mobile app or tap card until September 30, but are encouraged to download and try out the Umo Mobility app.

To learn more about Umo Mobility, visit: **LTD.org/TouchPass**

## Trips Added to Routes 33 and 55

Like many transit agencies across the nation, LTD is facing a shortage of bus operators that is impacting the service capacity that we can provide to our community. LTD officials have made the difficult announcement that current service levels will be maintained until fall, with the exception of two routes. Routes 33 and 55 will see limited service resume with the following schedules:

Limited service resumes on June 27 for Route 33, with four trips at 7:15 am, 12:45 pm, 4:30 pm, and 5:30 pm.

Limited service on Route 55 is set to resume on September 7, with two trips at 7:15 am and 3:15 pm.

For more information about service changes, visit: **LTD.org/service-changes**

## Independence Day Service

This Independence Day, Sunday, July 4, buses will operate on regular Sunday schedules. The Customer Service Center and administrative offices are closed as usual on Sunday, and the administrative offices will be closed on Monday, July 5 in observance of the holiday.

## Bus Capacity Limits Lifted

Effective June 25, 2021, Governor Brown lifted physical distancing requirements for public transit. LTD buses are now able to operate at full capacity. This allows LTD's 40-foot buses to carry 80 passengers, compared to 20 passengers during capacity restrictions. 60-foot buses may now carry 100 passengers, compared to 30 passengers during capacity restrictions.

Riders are still required to wear masks on the bus and at bus stations, as is required by federal order for public transit.
