Mobility Management Strategy Update

The Transportation Security Administration (TSA) announced on Friday, February 18, the extension of the federal mask mandate for public transportation until at least March 18, 2022. Masks must be worn on buses, outdoors at stations and stops, and when boarding buses, to keep bus operators, riders and the community safe. Trans-Airports. All persons over the age of two must continue to wear a face mask over the nose and mouth while traveling on public transportation.
