

Share Your Thoughts About LTD

We want to hear from you! LTD's annual community survey is available now through May 1 to gauge how we're doing. Whether you use the buses frequently, occasionally, or hardly at all, we want to hear from you! Riders are encouraged to share their feedback and will have a chance to win a \$100 gift card to support local businesses. The survey takes 3-5 minutes to complete and will be available March 28- May 1. As part of LTD's health-first approach, participants can access the survey online to eliminate person-to-person contact. Printed surveys are available upon request at the Customer Service Center and returned there once completed.

LTD Joins the Healthy Planet Challenge

LTD is excited to announce that it has joined the Federal Transit Administration's (FTA) Sustainable Transit for a Healthy Planet Challenge. The FTA launched the challenge in response to President Biden's goal to cut national greenhouse gas (GHG) emissions in half by 2030. LTD established an even more ambitious goal to reduce GHG emissions by 75% by 2030. As a leader in sustainable transit, LTD has joined the Health Planet Challenge to demonstrate its commitment to reducing emissions and taking care of our community. As part of the challenge, LTD and many transit agencies across the country are sharing their climate action plans and strategies, along with measurable goals to increase ridership and reduce GHG emissions. Public transportation has always been part of the solution to climate change, and we need your support. Help us meet our climate goals by choosing transit, walking, rolling and biking.

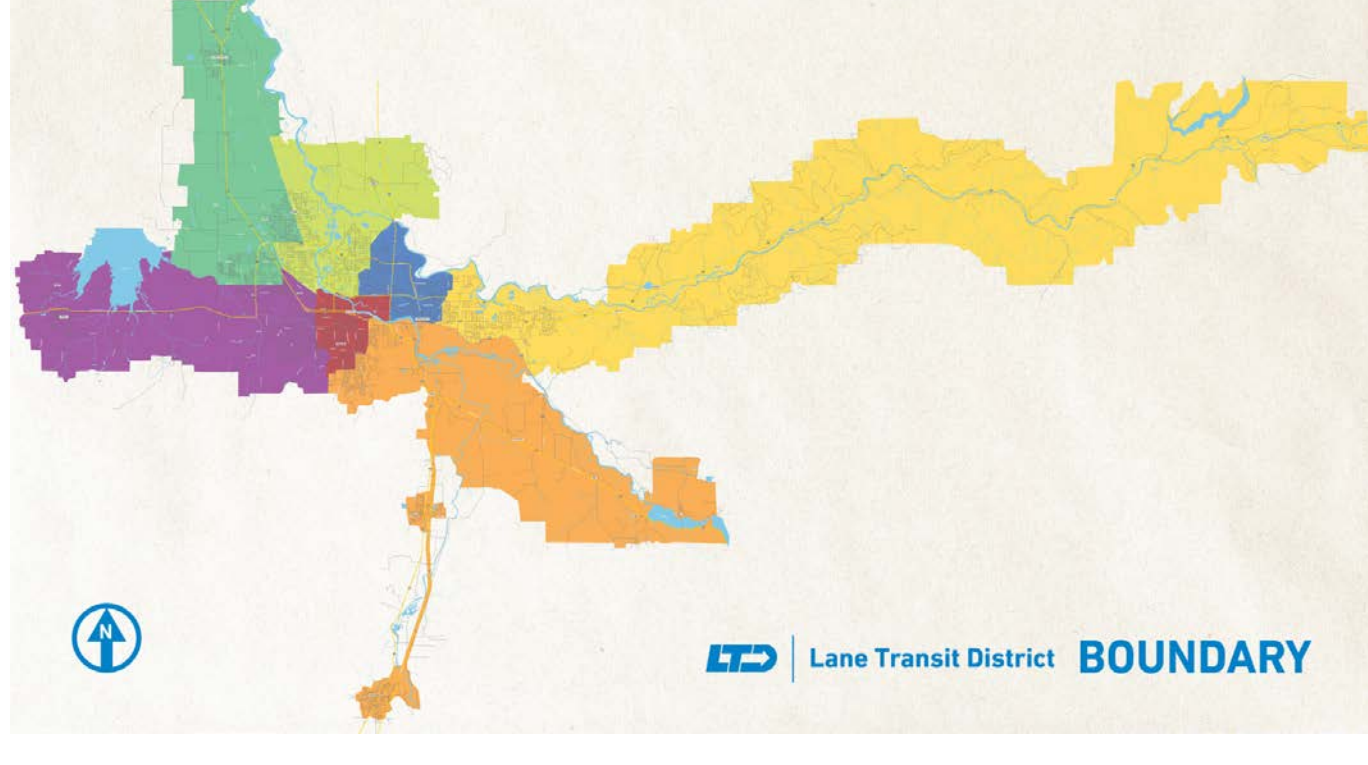

For more information about LTD's sustainability initiatives, visit LTD.org/sustainability-at-ltd

Redistricting Process

Every ten years when federal population census data is updated, Lane Transit District's seven subdistrict boundaries must be adjusted to reflect any changes. LTD has launched a public process in accordance with the guidelines set by the Secretary of State to establish new boundaries that ensure each subdistrict:

- Is contiguous.
- Is of equal population.
- Utilizes existing geographic or political boundaries.
- Does not divide communities of interest.
- Is connected by transportation links.
- Is consistent with the diversity, equity and inclusion and accessibility values of the Secretary of State, as outlined in the office's mission, vision and values.

Visit LTD.org/redistricting to view proposed changes to LTD's seven subdistricts. For questions, please email Tiffany Edwards, Intergovernmental Relations Manager, at Tiffany.Edwards@LTD.org.

MovingAhead: Preferred Alternatives Approved

The Eugene City Council and LTD Board of Directors approved the Locally Preferred Alternatives for MovingAhead, a partnership between the City of Eugene and Lane Transit District (LTD) to improve transportation options and increase safety along five key corridors. After more than 20 open houses/workshops, emails to more than 1,000 accounts, 60 presentations/community events, 46,000 mailings, and canvassing 500 properties along the corridors, the following Preferred Alternatives were approved:

- Highway 99 – Enhanced Corridor
- River Road – EmX
- Martin Luther King, Jr. Boulevard via downtown – Enhanced Corridor
- Coburg Road – Enhanced Corridor*
- 30th Avenue to Lane Community College (LCC) via downtown – No Build

*Requires additional study and community engagement

The City of Eugene and LTD will work on refining the designs for the project, which includes more community engagement, so that staff can continue to work towards implementing investments along these important streets.

For more information about MovingAhead or to review the project materials, visit MovingAhead.org or call 541-682-3240. Nos gustaria conocer sus opiniones. Llámenos a 541-682-6100.

Planet-Friendly Employee Perks

Celebrate Earth Month with your employees by offering a new perk that helps our environment: bus passes! LTD's Group Pass Program allows organizations to purchase bus passes for 100% of their employees or residents at a low monthly rate (billed quarterly). The program helps promote sustainable transit, alleviate parking issues and traffic congestion and is a great perk for organizations to offer. To learn more and enroll in the Group Pass Program, email Cody.Franz@LTD.org.

Help LTD Stop Vandalism

LTD is seeing an unfortunate increase in vandalism to bus stop poles. Several poles have been reported missing throughout town. If you see any suspicious activity at an LTD bus stop, please report it to the Eugene or Springfield Police. We appreciate your assistance in keeping our community safe.

Community Events

Eugene Saturday Market

Saturdays beginning April 2
10 a.m. to 4 p.m.
8th and Oak Street

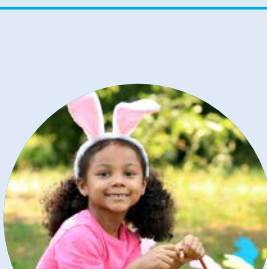

Take any route to Eugene Station and take a short walk to the oldest open-air crafts market. Opening day is April 2, 2022. It's the perfect place to shop for locally handmade goods and grab a bite packaged to go from the International Food Court.

For more information, [click here](#).

MEGGA Hunt

Saturday, April 16
9 a.m. to 12 p.m.
Lively Park

Take Route 11 to celebrate springtime with the Springfield community's biggest annual egg hunt! In the Traditional Egg Hunt, kids will search for eggs in open, smooth-landscape fields. Different areas will be set up for babies and toddlers, preschoolers, and school-age kids.

Eugene Marathon Weekend

Friday, April 29 – Sunday, May 1
5th Street Market and Hayward Field

The Eugene Marathon weekend kicks off with the Eugene Marathon Health and Wellness Expo on Friday afternoon, running through Saturday evening, at the Graduate Hotel and 5th Street Market Alley. Take Routes 40, 66 or 95 to the Expo. It is your one-stop shop to pickup your bib and race materials, meet other runners, interact with our vendors and sponsors, and more! The races begin on Saturday morning with the Kids Duck Dash and the Eugene 5K. Sunday is the big day, hosting the Marathon and Half marathon races. Racers are encouraged to take a shuttle from one of the following three locations: Graduate Eugene (accessible by Routes 40, 66 and 95), Hutton Street and Kruse Way (Routes 12 and EmX), or the Valley River Inn (Routes 66 and 67).
