

Summer Service Change

Three times a year, LTD makes route and schedule adjustments to make bus service more efficient and meet the changing needs of our community. On June 12, the second service change of the year takes effect. Behind the scenes, our transportation planners study ridership patterns weeks in advance to create an operating schedule that meets the demand of our riders.

Adjusted routes listed in graphic. Routes with no changes are not listed.

Gear Up for May is Bike Month!

Nationally celebrated since 1956, May is Bike Month has been celebrated in Eugene and Springfield since 2014. Bike Month showcases the many benefits of biking and encourages more folks to give biking a try. Don't have a bike? PeaceHealth Rides Bike Share is offering free rides for monthly members! There are events for all ages and all abilities, as well as free prizes for just riding your bike.

Access Endless Summer Fun with LTD's Free Student Transit Pass

As the school year comes to an end, LTD wants to remind students to get their free Student Transit Pass before summer break. All K-12 students in public, private, charter and home schools across Lane County are eligible for the Student Transit Pass program. Students and parents can visit their school's office to get an electronic tap card or information about how to use the Umo Mobility app to redeem a Student Transit Pass. Students must get their bus pass before school is out to continue riding the bus for free all summer long.

For more information, visit your school's office or [LTD.org/student-pass](https://ltd.org/student-pass)

Let's Chat About LTD's Mobility Management Strategy

LTD's Mobility Management Strategy (MMS) is underway and we want to hear from community members to better understand local and regional transportation challenges, opportunities, and potential solutions. LTD is hosting virtual office hours with the Mobility Management Strategy project manager, Andrew Martin, during the month of May. Community members are encouraged to "drop by" anytime during office hours to ask questions and learn more about the project.

Provide Input on Potential Route Changes by May 20

Do you have a student who attends Springfield High School? Do you need to get to a medical appointment at McKenzie Willamette Hospital? LTD is exploring potential changes to Routes 17 and 18 this fall and we want to hear from you. These changes would provide our riders with better access to shopping, hospitals, schools, and recreation in Springfield.
