SEPTEMBER 2022

Fall Service Change

Begins September 11

Three times a year, LTD makes route and schedule adjustments to make bus service more efficient and to meet the changing needs of the community. On Sunday, September 11, the third service change of the year takes effect. Behind the scenes, transportation planners study ridership patterns months in advance to create an operating schedule that meets the demand of the riders.

Only the bus routes with changes are listed. For detailed information about these route changes visit:

[LTD.org/service-changes](https://ltd.org/service-changes)

- 17** 5th/Hayden Bridge
- 18** Mohawk
- 51** Santa Clara
- 52** Irving
- 66** VRC/Coburg
- 67** Coburg/VRC
- 79X** UO/Kinsrow
- 81** LCC/Hilyard
- 82** LCC/Pearl

LTD Permanently Closes Stops on Route 12

LTD permanently closed two stops on Route 12 in early September due to the planned construction of a rapid flashing beacon and protected walkway along Gateway Street by the City of Springfield. The closed stops were located on the east and west side of Gateway Street near Kruse Way. For continued service on Route 12, passengers may travel south on Gateway Street to the nearest alternative stop located near Gateway Loop.

Free Transit Pass for Students in Grades K-12

As the new school year kicks off, LTD welcomes students on the bus with the free Student Transit Pass. All K-12 students in public, private, charter, and home schools across Lane County are eligible for the Student Transit Pass, allowing them to ride the bus for free. This program reduces the financial burden of transportation costs for local families and gives students greater access to extracurricular activities, work, and school. Students and parents should visit their school's office to receive their free Student Transit Pass.

Auten Named LTD's General Manager/Chief Executive Officer

Lane Transit District's (LTD) Board of Directors voted unanimously at its August 17, 2022 meeting to approve the employment contract for public transportation executive Jameson T. Auten to serve as LTD's next General Manager/CEO. Auten comes to the District from the Kansas City Area Transportation Authority (KCATA), where he served as Deputy CEO/Chief Operating Officer.

"We are excited to have a nationally recognized transit leader of Jameson's caliber accept LTD's top job," said Caitlin Vargas, President of the LTD Board of Directors. "All of us serving on the Board of Directors look forward to his arrival as we chart the path for the District to move forward to provide the transit service our communities need and deserve."

Auten's hiring comes after a five-month national search. Auten replaces Aurora Jackson, who, after six years at the helm, resigned in August 2021 to accept a position in the private sector.

"I am honored and humbled to be selected to lead LTD by the Board of Directors. LTD enjoys a national reputation for innovation and collaboration," Auten said. "I look forward to building relationships with LTD employees and with community members so that together we identify opportunities to implement right-sized mobility solutions that connect our communities."
