LOCATION

Lane Community College
Main Campus: 4000 East 30th Ave,
Eugene, Or 97405
(Building 19, 2nd Floor Auditorium)

CADE is a community of local organizations and agencies promoting entrepreneurship and economic development.

At the workshop entrepreneurs will receive valuable information on best practices in business, such as:

- Financial portfolio management
- Micro loan resources
- Guidance toward registering a business with Business Oregon for (COBID) certifications

These opportunities help broaden access for small businesses to compete for government contracts despite financial or economic status.

Workshop sponsors:

Lane Transit District
