## Fall Service Changes Begin September 7

Fall service changes take effect on Sunday, September 7, bringing route, time, and frequency changes. The changes will adjust service levels to meet ridership demand and increase operating efficiency.

For exact changes to routes, visit [LTD's Service Change list](#).

## Welcome Back, Students!

Did you know that K-12 students in Lane County public, private, charter and home schools can ride the bus for free all year long? Ask your school office about the free Student Transit Pass at back-to-school registration. If you got your free bus pass last school year, check with your school about renewing it for this year.

Learn more about the [LTD Student Transit Pass](#).

## Fewer Clicks, Faster Access

LTD's new and improved website, coming October 1.

Our website is getting a big upgrade! We're improving trip planning tools, real-time information, and how content is presented, so you can find what you need, fast. Designed with riders in mind, the new [LTD.org](#) will work better on mobile devices, improve accessibility for all users, and make it easier to plan a trip and find your bus in real-time. Join us on October 1 at Eugene Station during regular customer service hours to ask questions about the new website and see feature demonstrations.

## National Security Officer Appreciation Week

**September 15 to 19**

Join us in recognizing the dedication and hard work of our Public Safety Officers at Lane Transit District. These professionals help keep our community safe and ensure that our transit system runs smoothly for everyone.

Their commitment and vigilance allow riders, staff, and visitors to travel with confidence, knowing that safety is a top priority.

During National Security Officer Appreciation Week, we encourage everyone to take a moment to thank our Public Safety Officers for their service and dedication. A simple "thank you" can go a long way in showing appreciation for the people who help make transit safe for all.

## Get There Car Free Challenge

### October 1 to 14

The 2025 Get There Car Free Challenge is your chance to drive less, explore more transportation options, and win prizes! Pledge to drive less and log your trips taken by transit, walking, biking, scootering, carpooling, or vanpooling.

Take the pledge to drive less from **October 1-14** and log your car-free trips on the [GetThereOregon website](#).

## Take the Challenge!

### Experience the Week Without Driving

### September 29 to October 5

For nearly one-third of Americans, driving isn't an option. The Week Without Driving offers a chance for those who normally drive to see what life is like without a car and gain a new perspective on transportation. Encourage friends, family, neighbors, and elected officials to trade their car keys for busing, walking, biking, rolling, carpooling, or other shared options. Access to transportation shapes every part of life, and this week invites everyone to experience, reflect, and share what it's like without driving. Last year, more than 520 groups across all 50 states participated—will you give it a try this year?

## Ride the Bus & Bike Share to Oregon Football at Autzen Stadium

Oregon football is back for the 2025 season, and LTD makes it easy to get to Autzen Stadium without the stress of traffic or parking.

### Getting to the Game is as Easy as 1, 2, 3:

1. Buy your fare in the Umo app or at any EmX ticket vending machine.
2. Ride EmX to Agate Station.
3. Cross the footbridge straight to Autzen Stadium.

### Bus + Bike Share: The Perfect Match

Fans can combine LTD service with PeaceHealth Rides bike share through Cascadia Mobility for a smooth trip on game day. Ride the bus to Eugene or Springfield Station, then grab a bike to pedal the last stretch; or hop on a bike at the stadium after the game to shorten your ride back to EmX.

### Other Options

Leave your vehicle at one of LTD's 21 free Park & Ride locations, ride your neighborhood bus to Eugene or Springfield Station, and transfer to EmX toward Agate Station.

### Game Day Detours

On University of Oregon home football game days, detours are in effect on Routes 12, 13, 28, 66, 67, 79X, and 96. Depending on traffic, other routes may also be impacted.

[Plan your trip with LTD](#) and check bike share availability with [Cascadia Mobility](#) before you head out.
