Business Access & Transit Lanes (BAT Lanes)

BAT lanes help buses and other vehicles move more efficiently through traffic and provide better access to businesses. These curb lanes, located along the route, are expressly reserved for turning vehicles and buses. Below are guidelines to help in the process of maneuvering in these lanes.

**BUS ACCESS ONLY**
Unless when entering a business or making a turn.

**BUS ONLY LANE**
Only buses are permitted to use this lane.

**DO NOT TRAVEL IN THE BAT LANE**
Travel in this lane is limited to one city block and should be used for right turn access only.

**WATCH FOR BUSES**
Braking distances for buses take longer than general vehicles. A bus traveling at 35 mph takes 243 feet to come to a complete stop. Please watch for buses before turning into the lane.

**TURNING ONTO THE STREET FROM A BUSINESS**
Cars should be turning into the nearest through traffic lane.

**LOOK FOR SIGNAGE INDICATING LANE USE**
Painted words on the road or overhead signs.

**DO NOT PARK IN THE BUS ONLY LANE**

**GARFIELD INCLUDES BUS ONLY LANES**
The bus lanes on Garfield are bus only unless accessing a business. There is a dedicated turn lane at 11th and Garfield and at 7th and Garfield. The lanes are bus only within one block of these intersections.
